Oval Chrome Plastic Twist-On Bezel
Oval Chrome Plastic Twist-On Bezel with Visor

Oval bezels actually slide over grommet when the top tabs are placed underneath the top of the grommet. Very easy installation.

LIGHT ACCESSORIES

MARKER LIGHT CHROME MESH BEZELS

The universal snap-on bezel (TBEZ-MKCH7) fits over different oval 6" x 2" lights in the market. Simply take off the current bezel from the light base attached to the truck when you install the new mesh bezel for a fresh look. You can even leave the light base attached to the truck when you install new mesh bezel... It's that easy. 10 second installation!
