

Foundation of MACPEK

Founded by Mr. Claude Pouliot, the company came to life in Quebec City in 1974.

Surrounded by passionate individuals, his sons, Claude-André and Jean-François, dedicate themselves daily to perpetuate his desire for excellence to continue deserving the support and loyalty of thousands of customers.

Macpek is the largest independent distributor of parts for heavy vehicles in Quebec.

Macpek benefits from the commitment and creativity of its 325 employees in its perpetual pursuit of always "Simplifying the lives of its customers."

Pioneering in technology,

In 1982, amid an economic crisis, Macpek acquired its first enterprise resource planning (ERP) software.

The perpetual evolution of the company led to complete changes in operational software in 1994, 2008, and most recently in 2020.

In 2014, Macpek launched a transactional website unique in the industry, which still stands out today for its precision and user-friendliness.

Mobile training unit

Our desire to support our clientele with their cost reduction goals brought our mobile training unit to life in 2016. This one-of-a-kind mobile training unit allows us to travel close proximity of all clients offering them accessibility to diverse and evolving training.

TOF product range

These OEM quality products available at competitive prices allow our customers to achieve savings of up to 50%, while also providing a peace of mind warranty that exceeds those offered by renowned manufacturers by an extra 60 days.

Mekpro affiliated repair workshops

With the aim of providing fast and qualified repair services throughout Quebec, a network of repair workshops was established in 2016

Distribution center

Launched in 2018, this state-of-the-art infrastructure enables us to provide optimal service to all our clientele
